Rug up, set and forget

There is nothing tastier in these cooler months than enjoying something warm and comforting while wafts of deliciousness fill your home. This month, with our combination *Flavours of India* cookbook and must-have ThermoMat as your gift with purchase (valued at \$110), cooking up a storm is as simple as rugging up and sitting back, whilst Thermomix spices up your life for the better.

Flavours of India Cookbook*

Our sought-after cookbook, *Flavours of India*, is filled with mouthwatering recipes including aromatic spice blends, street food and family “fake-away” favourites such as garlic naan and butter chicken. Don’t miss the glossary of ingredients to stock up on, to help make your curries as authentic as they come.

ThermoMat*

Our non-stick baking mat is a total must for proving dough, rolling and measuring pastry, or getting creative with rissoles, scrolls or hot sugar work (yes – it can take the heat!).

See Thermomix in action from the comfort of your own home with our new Virtual Cooking Experience! For more information, reach out to your Consultant or **click here**.
